## Calgary International Beerfest Presented by Sobeys Liquor & Safeway Liquor

Community. Nothing brings people together like good food and beverage and Calgary International Beerfest is about coming together – having fun together – celebrating Calgary and Alberta together! There will be over 200 breweries, distilleries, cideries, meaderies and RTD (ready to drink beverages) that you can sample at the festival and you'll also be able to taste delicious food from over 30 fantastic local pubs, restaurants, and eateries.
